

FRS E-LEARNING PACKAGES

Now is the perfect time to upskill yourself or your staff with socially distanced E-Learning!

At-your-device learning at your convenience! E-Learning can be done from anywhere, whether workers are at your premises, working from home, or on the road. If you don't have access to a PC/tablet, we have an E-Learning station in our offices.

CHOOSE SOME OR ALL OF:

HEALTH & SAFETY – from abrasive wheels and food hygiene to manual handling, and working at height

HEALTH & SOCIAL CARE – from autism awareness to infection control, and personal development

BUSINESS SKILLS – from customer service to data protection, and social media for business.

Our programmes are easy to use interactive online learning carried out at the speed that suits the individual.

Meet your legal obligations, improve staff skills, productivity and happiness at work and, most importantly, be socially distant.
